Hagerstown, July 16, 2016 -- The New Horizons Concert Band of Hagerstown MD along with guest musicians, will be performing a "9/11 Memorial Concert" to mark the 15th Anniversary of the events of 9/11/2001. The one-hour concert will be held on Sunday, September 11th at 5:00 PM at the Peter Buys Band Shell in Hagerstown's City Park. The program will include American & Patriotic Music along with a special composition which premiered at the First Anniversary Memorial Concert in Somerset, PA to honor United Flight 93 passengers. The music -- "Flight of Valor" -- is described as both heroic and inspiring in honoring America's Citizen Soldiers. It was written by American composer, James Swearingen.

Bob & Arlise Weaver Cianelli

Our son Tom, his wife Kelly and our granddaughters Ava and Mia, flew in from Texas to visit with us for a week. We did some fishing, went to Hershey Park, cruised on the bay with their cousins (below), went bowling, ate crabs, did some target shooting, shared our vacation experiences in Japan and had a great time visiting with two bundles of energy. (Tom's family toured Japan one week after we came back from our trip to Japan.)

Arlise hung in there while recovering from her first knee replacement surgery. One knee down and one to go! With two new hips, one new knee already in place, she will begin preparing for the Senior Olympics when she gets her second knee.

EDUCATION CORNER

Sir William Golding

regarding women

I think women are foolish to pretend they are equal to men, they are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she'll give you a baby. If you give her a house, she'll give you a home. If you give her groceries, she'll give you a meal. If you give her a smile, she'll give you her heart. She multiplies and enlarges what is given to her. So, if you give her any crap, be ready to receive a ton of shit!
