*Glenn Julian*

*Glenn Julian had a watercolor painting "Gardener" accepted for the "Healing Art Exhibit" at McCullough-Hyde Memorial Hospital, Oxford, Ohio. Work of artists within a 50-mile radius of Oxford was selected by a jury to illustrate the theme of healing through art, and the chosen pieces will be on display in the hospital from April 2011 through March 2012.*

## *"Relay for Life" Charity Golf Tournament*

*Five classmates participated in the 2011 Cancer fund raising tournament. Larry Keller was scheduled to play but had to back out at the last minute because of Donna's injury. It was a long day because of a 2 hour rain delay but it was a lot of fun. Next year, we would like to see the Class of '57 numbers at least triple. As you know, it is a worthwhile cause and it would be a neat way for classmates to get together in the spring. I am sure you know everyone in the pic but just in case your memory is failing because of your age, and for those classmates who are in perpetual semi-hibernation: L to R, Paul Keplinger, Jone Bowman, Frit Hill, Terry Gossard and me.*

*October found us in TN with our AL friends, The Tuckers. We ventured from our timeshare to Nashville to attend the 2nd annual Country Music Hall of Fame fundraiser concert hosted by Keith Urban, which included lots of other performers. While in Nashville we had lunch with my sister-law, Barbara Hess Izer (SHHS '57), who was passing through on a bus tour. Her daughter also came from GA and attended lunch, and the concert with us.*

*Bob and I traveled to Branson, MO, in early November. The shows had seniors both in the audience and on the stage. We enjoyed Thanksgiving dinner at our son's home with our usual table of 14 attending, bringing their favorite Thanksgiving dishes. The next AM our son, grandson and I traveled to NYC for our 8th consecutive Thanksgiving weekend celebration. We managed to stay out of trouble again this year. In December, Bob and I witnessed our son and grandson in a 13.1 half-marathon race - the first for our grandson. The four of us celebrated the Christmas holidays in the*

*Bahamas at Atlantis. We stayed home in January, watched the snow storms and attended annual doctor visits. February found us visiting our MD friends of 50 years, Pat & Pinky Myers, at their daughter Renee's home. Super Bowl Sunday found us at our son's home again fixing a Thanksgiving dinner. We had so much fun together in November, the gang wanted a "do-over".*

*March found Bob and me enjoying our normal activities without that white stuff on the ground. Bob and I went on a Bermuda cruise in mid-April. We traveled to Las Vegas the end of April for a Tiger Jam fundraiser concert with Keith Urban and John Mayer. While there, we had lunch with friends from the 70's, John & Milly McGuckin. It was fun remembering the good ole days with them. May is catch-up month. I'm helping close out our women's club for the summer months. Our last club-sponsored community event is a yard sale on the 28th. Bob is back golfing & fishing. We attended our son's and grandson's 2nd 13.1 race two days ago in Fredericksburg. Oh, on the 22nd, I'm joining my friend, Joyce, in a 5k walk she is participating in for her Weight Watchers program. Bob and I are looking forward to a CA trip and a long visit with our CA son in June for our next adventure.*

*This foursome met in Frederick for lunch at Mi Mi's and an afternoon of "lounging."*

*Editor's Comment: I was not drinking when I scanned this picture; the original picture sent to me was blurry. They must have had more than "tea" for lunch. Note the picture was taken at 2234 (10:34 PM for your civilians). Apparently a very loooooooong "tea".*

North-South Annual Golf Tournament

*The annual tournament was held in Harrisonburg, VA. Seven members of the Class of 1957 participated in three days of golf and camaraderie. Two members the Class of '58 joined us this year, Pat Boyer and Dick Moser. As you know, Jim Carnes won the trophy last year and it was his responsibility to have the plaque updated with his name and date. Take note of Jim's name/date on the plaque vs the other winners. In addition, since Jim wanted to attend a black tie event last year, we obliged him this year.*

*(Jim really had two plaques made. He brought the trophy to the room and received a considerable amount of grief as a result. Atlas, the joke was on us because the next day, he switched plaques and put on the one that was properly engraved. I assume you noticed that I presented this explanation in very small text in hopes that you would miss it completely. That way you wouldn't be aware of how he made jackasses out of all of us.)*

*Congratulations to Dick Knode, the 2011 winner.*

*We missed one of our regular members this year, Pete Limburg. We look forward to Pete returning next year. The Lime Trophy was donated by Pete.*
