Our miracle Grandson, Nathan "Nate" Carroll. He had his 2nd open heart surgery last August to reattach a lead to his defibrillator. It ended up replacing the defibrillator itself and attaching all the leads. He came through both operations very well. He celebrated his 4th birthday 31 March 2014. We thank everyone for their thoughts and prayers.

To mark our anniversary, our oldest daughter, Julie and her husband Steve arranged and paid for our Anniversary trip to Alaska leaving from Vancouver, BC on the 25 July for inside passage cruise on Radiance of the Seas, Royal Caribbean.

### THE BACK NINE HOLES

You know ... time has a way of moving quickly and catching you unaware of the passing years. It seems just yesterday that I was young, just married and embarking on my new life with my mate. Yet in a way, it seems like eons ago, and I wonder where all the years went. I know that I lived them all. I have glimpses of how it was back then and of all my hopes and dreams.

But, here it is... the back nine of my life and it catches me by surprise...How did I get here so fast? Where did the years go and where did my youth go?

I remember well seeing older people through the years and thinking that those older people were years away from me and that I was only on the first hole and the back nine was so far off that I could not fathom it or imagine fully what it would be like.

But, here it is...my friends are retired and getting gray...they move slower and I see an older person now. Some are in better and some worse shape than me...but, I see the great change...Not like the ones that I remember who were young and vibrant...but, like me, their age is beginning to show and we are now those older folks that we used to see and never thought we'd become.

Each day now, I find that just getting a shower is a real target for the day! And taking a nap is not a treat anymore... it's mandatory! Cause if I don't on my own free will... I just fall asleep where I sit!

And so...now I enter into this new season of my life unprepared for all the aches and pains and the loss of strength and ability to go and do things that I wish I had done but never did!! But, at least I know, that though I'm on the back nine, and I'm not sure how long it will last...this I know, that when it's over on this earth...it's over. A new adventure will begin! Yes, I have regrets. There are things I wish I hadn't done...things I should have done, but indeed, there are many things I'm happy to have done. It's all in a lifetime.

So, if you're not on the back nine yet...let me remind you, that it will be here faster than you think. So, whatever you would like to accomplish in your life please do it quickly! Don't put things off too long!!

Life goes by quickly. So, do what you can today, as you can never be sure whether you're on the back nine or not!

You have no promise that you will see all the seasons of your life...so, live for today and say all the things that you want your loved ones to remember...and hope that they appreciate and love you for all the things that you have done for them in all the years past!!

"Life" is a gift to you. The way you live your life is your gift to those who come after. Make it a fantastic one. LIVE IT WELL! ENJOY TODAY! DO SOMETHING FUN! BE HAPPY ! HAVE A GREAT DAY Remember "It is health that is real wealth and not pieces of gold and silver. LIVE HAPPY IN 2014!

LASTLY, CONSIDER THIS:

- ~Your kids are becoming you.....but your grandchildren are perfect!
- ~Going out is good.. Coming home is better!
- ~You forget names.... But it's OK because some people forgot they even knew you!!!
- ~You realize you're never going to be really good at anything like golf.
- ~The things you used to care to do, you aren't as interested in anymore, but you really do care that you aren't as interested.
- ~You sleep better on a lounge chair with the TV 'ON' than in bed. It's called "pre-sleep".
- ~You miss the days when everything worked with just an "ON" and "OFF" switch..
- ~You tend to use more 4 letter words ... "what?"..."when?"... ???
- ~What used to be freckles are now liver spots.
- ~Everybody whispers.
- ~You have 3 sizes of clothes in your closet.... 2 of which you will never wear.

~~~But Old is good in some things: Old Songs, Old movies, and best of all, OLD FRIENDS!!

Stay well, "OLD FRIEND!" It's Not What You Gather, But What You Scatter That Tells What Kind Of Life You Have Lived.

TODAY IS THE OLDEST YOU'VE EVER BEEN, YET THE YOUNGEST YOU'LL EVER BE, SO ENJOY THIS DAY WHILE IT LASTS.

#### 1. WILL THE REAL DUMMY PLEASE STAND UP?

AT&T fired President John Walter after nine months, saying he lacked Intellectual leadership. He received a \$26 million severance package. Perhaps it's not Walter who's lacking intelligence.

#### 2. WITH A LITTLE HELP FROM OUR FRIENDS.

Police in Oakland , CA spent two hours attempting to subdue a gunman who had barricaded himself inside his home. After firing ten tear gas canisters, officers discovered that the man was standing

beside them in the police line, shouting, 'Please come out and give yourself up.'

### 3. WHAT WAS PLAN B???

An Illinois man, pretending to have a gun, kidnapped a motorist and forced him to drive to two different automated teller machines, wherein the kidnapper proceeded to withdraw money from his own bank accounts.

### 4 THE GETAWAY!

A man walked into a Topeka , Kansas Kwik Stop and asked for all the money in the cash drawer. Apparently, the take was too small, so he tied up the store clerk and worked the counter himself for three hours until police showed up and grabbed him.

### 5. DID I SAY THAT???

Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words: 'Give me all your money or I'll shoot', the man shouted, 'that's not what I said!'

### 6. ARE WE COMMUNICATING? ??

A man spoke frantically into the phone: 'My wife is pregnant and her contractions are only two minutes apart'. 'Is this her first child?' the Doctor asked. 'No!' the man shouted, 'This is her husband!'

### 7. NOT THE SHARPEST TOOL IN THE SHED!

In Modesto, CA , Steven Richard King was arrested for trying to hold up a Bank of America branch without a weapon. King used a thumb and a finger to simulate a gun. Unfortunately, he failed to keep his hand in his pocket.. (hellooooooo)!

## **8. THE GRAND FINALE!!!**

Last summer, down on Lake Isabella, located in the high desert, an hour east of Bakersfield, CA, some folks, new to boating, were having a problem. No matter how hard they tried they couldn't get their brand new 22 foot boat going. It was very sluggish in almost every maneuver, no matter how much power they applied. After about an hour of trying to make it go they putted into a nearby marina, thinking someone there may be able to tell them what was wrong. A thorough topside check revealed everything in perfect working condition. The engine ran fine, the out-drive went up and down, and the propeller was the correct size and pitch. So, one of the marina guys jumped in the water to check underneath. He came up choking on water, he was laughing so hard.

**NOW REMEMBER...THIS IS TRUE.**

**Under the boat, still strapped securely in place, was the trailer!**
