CLASSMATE HAPPENINGS!

Larry Stenger

**Off the "Bucket List"!
Larry bailed of a perfectly good
airplane 2 ½ miles up and he
hasn't been committed!**

**Must run in the family since his
daughter Kendra and son Shawn
did it as well and they too are
running loose!**

Editor's Comment: Way to go! There are no "do over's," live life to the fullest while you can!

And the Winner Is –

Pete Limburg

The 18th North/South Closed – Open golf outing was held in the Winchester – Ft. Royal area at Blue Ridge Shadows, Shenandoah Valley and Rock Harbor golf courses on May 23, 24 & 25.

The Class of 1958 was represented by Pat Boyer, Dick Moser and Dick Thomas. Roland Wheeler is a participant as a friend of several players.

The 2-day competition between members of the North/South Class of 1957 was won by Pete Limburg with a net score of 143. Second place went to Jim Carnes (150) and placing 3rd was Ken Dando (157). Pete won the Lime Trophy which he donated several years ago.

The winner of the 3-day Open Division competition was Pat Boyer with a 3-day net of 213. Roland Wheeler placed 2nd and 3rd place went to Terry Strook. Everyone enjoyed the fun, food, fellowship and golf.

Bob & Arlise Weaver Cianelli

On May 13th, we went to CA for three days to celebrate our youngest grandson's birthday. We took Brady and 12 of his buddies to the Camp Pendleton Paint Ball Range on the Marine Base. They used up 20,000 rounds of ammo during four mock battles on different battlefields. I noticed there was a lot of friendly fire casualties and a lot of welts on the bodies.

We flew to Japan and spent two weeks touring the island of Honshu. It was a fun, interesting, and educational trip. We were supposed to visit Hiroshima the same day as Barack. Fortunately, our tour guide switched days and we toured Hiroshima the day before Barack closed the place down. As an aside, REAL Japanese food is quite different than what is touted as Japanese food in the U.S. I saw more in two weeks than I did in 13 months of duty in Japan (20-21 versus 76 years old - different age dictates different interests).

We flew from Japan back to CA and spent a week attending the various activities, events and parties for Colin's (our oldest grandson) graduation from high school. Finally, after 3 weeks and 3 days we headed home on June 6th. (Good to sleep in your own bed, huh?)
