## BHS students preparing for state 'We The People' competition

**BOONSBORO** — The Boonsboro High School team that won the 6th Congressional District “We the People” competition in December is preparing for the state

program, scheduled for Wednesday, Feb. 20, at the Maryland Hall for Performing Arts in Annapolis.

“We the People: The Citizen and the Con-

stitution” promotes an understanding of the history and principles of the Constitution and Bill of Rights.

The competition is based on a simulated

congressional hearing in which students “testify” before a panel of judges.

The students present their positions on relevant historical and contemporary issues.

Our daughter, Karri, teaches government at Boonsboro High School. The BHS government team won the 6th Congressional District "We the People" competition in December. On (2-20-13) they went to Annapolis for the State title. They came in second. Karri's team won the State several years ago. She said the team this year was the best team she has taken to States and she was very proud of them.

We traveled 2/4 through 2/19 to visit our daughter in CA and our son in TX. While in CA we had a chance to see our youngest grandson, Brady, play soccer and the oldest, Colin, play baseball for his high school.

In TX, we enjoyed watching the girls play volleyball and the youngest, Mia, going to her father-daughter dance at her elementary school. Both girls play in an age group above their actual age and both are the smallest players on their teams.

We did a day trips to Natural Caverns and to Austin to sightsee. Going down 180 feet in the caverns was a piece of cake. However, coming up 180 feet that included very steep steps and walkways was not a lot of fun for to two old codgers. University of Texas is huge and it is one of the best endowed universities in the country. The school was given a huge amount of land originally and they received \$.05 per acre for grazing rights. However, once oil was discovered on their land it was a different story. Just the interest on their oil funds for 2012 was \$535,000 000!
