## Class Activities

### Fritt Hill

Fritt Hill's hole-in-one! Fritt hit a 9 wood on #6 at Fountain Head from 145 yards that ended in the bottom of the cup. It was witnessed by Jim Stojak and Skip Keedy. This is Fritt's second hole in one.

*Editor's Comment: True to golf's traditions, Fritt will buy everyone a drink at our next class get-together.*

### Ron Amos

The Patriot Guard Riders consist of approximately 280,000 riders throughout the United States. Our purpose is to attend the funerals of US Veterans and First Responders to provide escort and shield the family from the group from the Westboro Baptist Church. Rather than go into a long dissertation about the activities of The Patriot Guard Riders, I suggest the

reader check out [www.patriotguard.org](http://www.patriotguard.org) and get a complete background of our activities. Further, if any reader is interested in doing something good for our Veterans, Join The Patriot Guard, it costs nothing, no meetings to attend, you need not be a Veteran or a Biker, cars are always welcome at any mission. You will be notified by email of any mission in your area, I personally attend missions in central and western Maryland, southern Pennsylvania, the panhandle of West Virginia and northern Virginia. You will need a 3x5 American flag and the desire to show your respect for our Veterans who, at some point in their life, signed a blank check to the citizens of the United States, up to and including their lives. Check this program out and give some consideration to becoming a member, I assure you this, you will never forget the emotion involved in your attendance and you will go home feeling you did something that really touched the lives of a bereaved family.

Northern High School is in the semi final playoff for District 3 AA soccer championship. Our granddaughter Mcknezie is a member of the starting team.

### [Glenn Julian](#)

In mid-October Glenn and Betty Julian visited the Great Smoky Mountains National Park. On the day they arrived it was still closed, due to the Federal Government shutdown, but next day it was re-opened with funding from North Carolina, Tennessee, and Blount County TN. Fall color was beautiful, but not spectacularly more so than in southwest Ohio.

(Watercolor of Schoolhouse by Glenn)

The Little River Schoolhouse still stands in the Great Smoky Mountains National Park near Metcalf Bottoms. The school remained in use through the early 20th century. All trees in the area were logged before the Park was formed. Yellow leaves today are on second-growth maples. The walls of the school were sawn from huge logs and are around 4 inches thick. We could not see any source of lighting other than the windows, and neither a fireplace nor a Franklin stove for heating.

### [Paul Bohn](#)

My daughter, Cheryl, was married (first time) on Oct 19. She was married at a resort on the Riviera Maya near Cancun MX. It was a magnificent destination wedding attended by 65 friends and family.

### [Alice Ann Lindsey](#)

Sorting, purging, packing! We move November 14 and will be in our house at Willow Valley Communities in Lancaster, PA on November 15.

### [Judy Hoover](#)

Last week my friends and I went on a train trip to Romney West Virginia on the Potomac Eagle Rail Excursion. It was a three hour trip with lunch. We traveled over the Potomac and saw Fall foliage and plenty of God's greatest creatures like the Bald Eagle. They can open the roof of one car so you can see everything, but of course it was raining that day. It was a very nice relaxing day!!!

**Dick Messersmith**

Still trying to grow up.

**Bob & Arlise Weaver Cianelli**

We spent last week in CA and had the opportunity to watch our grandson Brady, co-captain of his school's football team, lose the league championship game 21 to 20 in the last 7 seconds. The game was definitely a character building experience. Fortunately, the team qualified for the regional competition and will be playing for the region championship in Santa Ana, CA on November 6<sup>th</sup>. Over the same weekend, Colin, a 15 year old sophomore, was invited to a baseball camp in Phoenix put on for college scouts. In the first week after his 2-hit shutout performance in Phoenix, he has been invited by USC, UCLA and Michigan to their baseball camps.

#### **Marry, Why?**

You have two choices in life:  
You can stay single and be miserable,  
or get married and wish you were dead.

---

At a cocktail party, one woman said to another,  
'Aren't you wearing your wedding ring on the wrong finger?'  
'Yes, I am. I married the wrong man.'

---

A lady inserted an ad in the classifieds:  
'Husband Wanted'.  
Next day she received a hundred letters.

**They all said the same thing:  
'You can have mine.'**

---

**When a woman steals your husband,  
there is no better revenge than to let her keep him.**

---

**A woman is incomplete until she is married. Then she is finished**

---

**A little boy asked his father,  
'Daddy, how much does it cost to get married?'  
Father replied, 'I don't know son, I'm still paying.'**

---

**A young son asked,  
'Is it true Dad, that in some parts of Africa  
a man doesn't know his wife until he marries her?'  
Dad replied, 'That happens in every country, son.'**

---

**Then there was a woman who said,  
'I never knew what real happiness was until I got married,  
and by then, it was too late**

---

**Marriage is the triumph of imagination over intelligence.**

---

**If you want your spouse to listen and  
pay strict attention to every word you say -- talk in your sleep.**

---

**Just think, if it weren't for marriage, men would go through life  
thinking they had no faults at all.**

---

**First guy says, 'My wife's an angel!'  
Second guy remarks, 'You're lucky, mine's still alive..'**

---

**'A Woman's Prayer:  
Dear Lord, I pray for: Wisdom, To understand a man , to Love and to  
forgive him , and for patience, For his moods. Because Lord, if I pray  
for Strength I'll just beat him to death'**
