Carole Smith

S/Sgt. Justin Glenn Trumpower, USAF, grandson of Carole (Smith) Daly and the late Maurice Glenn Trumpower (HHS '55), has been tapped to train the Afghanistan Air Force to fly and maintain their Russian helicopters.

After three tours in Iraq as an Aerial Gunner on the now retired Special Operations PaveLow helicopter, Justin retrained and was assigned as a Flight Engineer on the Huey helicopter at Andrews AFB. It was from there, after intensive training, that he has been sent to a NATO base in Afghanistan for a year.

Even though we are able to video Skype with him, we are looking forward to seeing him home safe and sound in May 2012.

Gary Stenger

Gary Stenger and his carving club, Carroll Carvers will be the featured exhibit at the Ward Museum in Salisbury Md from Sept 16-November 27th. Gary will have several of his wood sculptures on display including his Wye Oak Sanderlings, blue wing teal, chestnutsided warbler and white fronted goose.

In June, Bob and I visited our youngest son in CA for 10 days. On our last day we met a dear friend @ Scomas' in San Francisco for lunch.

July was a very busy month for me. My gal pal, Joyce, and I met my niece in Hershey for a concert there.

Two days later, Bob, our son, grandson and I left for road trip and a week in TN. Then Joyce and I ventured to the Greenbrier Resort in WVA, attending two separate concerts during their golf classic week. Bob is the golfer, and we two are the concert-goers, using the complimentary concert tickets. It was a very good deal for the two of us.

My two nieces - my sister in-law Barbara's two daughters - invited me on another road trip with them. This trip began three days after the last one, the first week in August. My niece from PA met me @ Dulles and we flew to Atlanta to the home of my other niece, her sister. We had so much fun, including games and face painting. After three days and two concerts, the three of us, plus another friend, drove to Nashville. The next day my PA niece and I departed from there back to Dulles, returning to our respective homes.

Our women's club is now on my agenda as membership chair again for our Sept.-May year. This includes some work, especially with our community events. However, the ladies and fun outweigh the tasks involved. We will miss our picnic; however, we plan to be in town that weekend for Bob's '56 HHS reunion. We look forward to again visiting with our married '56/'57 grads attending this event. These visits are always the highlight of our reunions.

THOUGHTS BY 'DUCKY'

I saw a woman wearing a sweat shirt with 'Guess' on it.

Marriage changes passion.

So I said 'Implants?' She hit me.

Now that food has replaced sex in my life, I can't even get into my own pants.

Suddenly you're in bed with a relative.

How come we choose from just two people to run for president and over fifty for Miss America ?

When I was young we used to go 'skinny dipping,' now I just 'chunky dunk.'

I signed up for an exercise class and was told to wear loose fitting clothing. If I HAD any loose fitting clothing, I wouldn't have signed up in the first place!

Wouldn't it be nice if whenever we messed up our life we could simply press 'Ctrl Alt Delete' and start all over? AMEN, AMEN!

Don't argue with an idiot; people watching may not be able to tell the difference.

Why is it that our children can't read a Bible in school, but they can in prison?

A completely brilliant question!!!!!!
