## CLASSMATE HAPPENINGS!

### ***Alice Ann Lindsey***

**My grandson, James A. Kiefer, graduated Friday, May 19, 2017 from University of Maryland School of Dentistry. His lady love and best friend, Dana Grimm also graduated the same day. Thirteen members of our family (which happily included John, me, and my sister, Barbara Lindsey) attended the ceremonies.**

**At the lunch following graduation for our family and Dana's family the time came for them to open gifts. James handed his gift to Dana. When she saw the white coat with a name on it saying "Dana L. Kiefer, DDS" she looked a bit puzzled. At that point James sunk to his knee and asked Dana to marry him and gave her a lovely ring. What a red letter day!!! We all love Dana and we're thrilled James planned it so we could share their happiness. No wedding date yet since Dana has two and a half more years to become an orthodontist. She will be at Seton Hill near Pittsburgh and Dr. James will be working with Allegheny Dental in the Hagerstown and Smithsburg offices.**

***Editor's Comment: Not only intelligent, but handsome and makes great choices!***

## **Ann Corderman**

**Well here is a photo of my husband Art and me celebrating our 35th wedding anniversary at the Bata Club. In attendance were 25 friends and family. The actual date of our anniversary is February 28. This is a second marriage for us but we got it right! We are taking a cruise on the Colorado and Snake Rivers this Fall.**

## **Nancy Minnich**

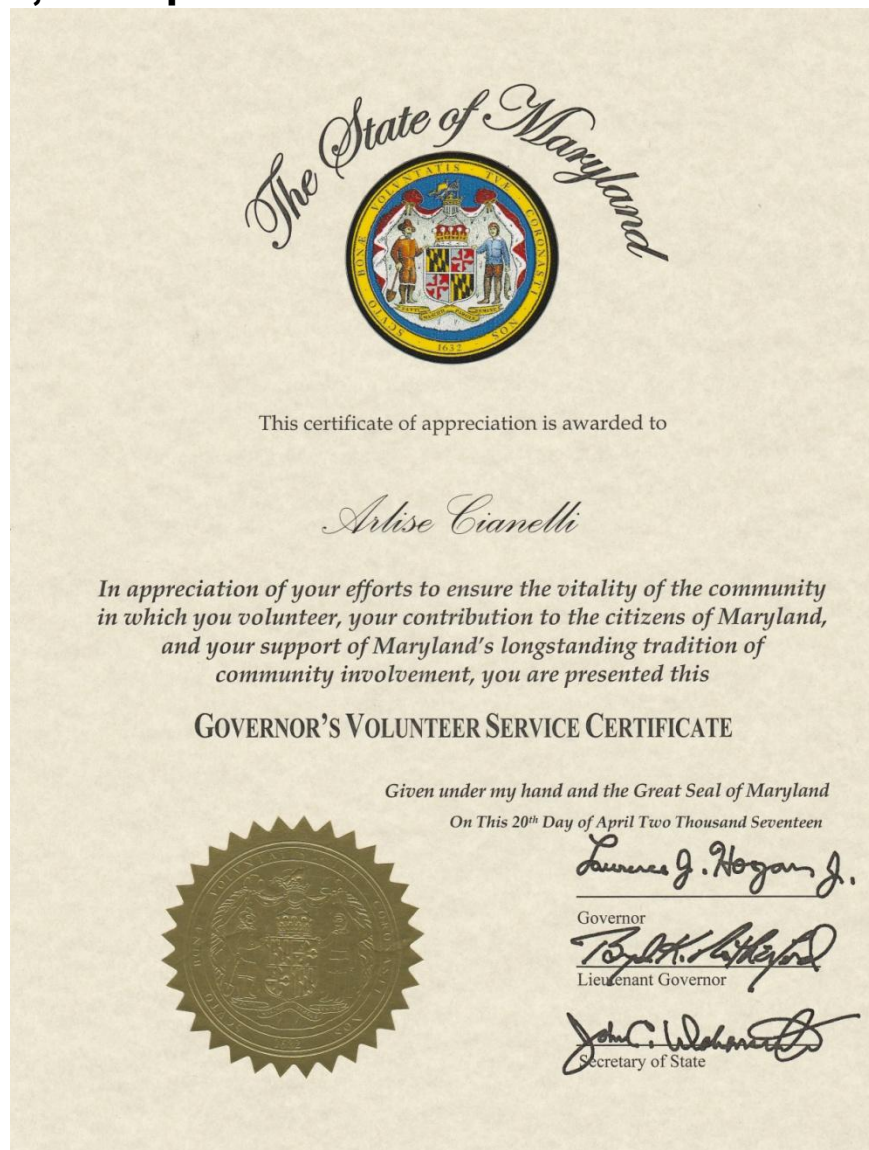

**Grandson Ryan recognized once again for his actions that saved a life by receiving the bronze medal of honor from congress.**

## **Roger Kisiel**

For starters, Bob, I'm back in Muscat, Oman for the 6th time. I've been here two weeks teaching "Entrepreneurship and Small Business Management" to 26 delightful young Muslim women. I've enjoyed the classes, but I'm looking forward to flying home this Thursday night and Friday. It might be interesting in that 3 Middle East nations have severed ties with Qatar and are basically blockading the country. I believe I'm ok because I'm flying Qatar Air through Doha, Qatar enroute to Philadelphia. I doubt they would let other airlines into Qatar.

## **Bob & Arlise Cianelli**

Governor Hogan presented all the founding members of "Operation Welcome Home" with the Governor's Volunteer Service Certificate on the 10th anniversary of OWH. Over 600,00 troops have been welcomed home at BWI!

**Editor's Comment: Our thanks to our many classmates and their spouses who have contributed to this program as well as our Cabaret event that raised \$16,000 for the purchase of a trac-chair for an amputee veteran.**

## **2017 Jone Bowman Memorial Golf Tournament**

**Only two Class of '57 members participated this year. Two regulars, Paul Keplinger and Larry Keller both managed to injure themselves. Fortunately, both are on the mend. Frit Hill and I kept up the tradition. Light rain most of the day but we had a great time and helped a great cause.**

### **Amazing Talent in The Class of '57**

**As a teaser, I am going to show you one of a kind door prize that will be won by one lucky classmate at the reunion. There are more!!! Be there or be square!!**

**I assume you can guess who created this exquisite piece.**

**Bob Westphal**

**Bob's granddaughter on a stroll with Nana.**

***Editor's Comment: Easy to tell when someone is a new grandparent, huh?***

**Terry Strock**

**The Strock's had a busy spring with a black tie celebration of the 125th Anniversary of the Virginia Tech German Club.**

**Granddaughter Jaclyn Valle McCarthy graduated from Battlefield High School in Haymarket, Va. She was #11 in class of 675 students. She will be attending the Honors College at Virginia Tech. Majoring in Bio Medical Engineering. Three generations of Strocks will have attended Va. Tech, 30 years apart. Terry in 1957, daughter Christl 1987 and Jaclyn 2017.**

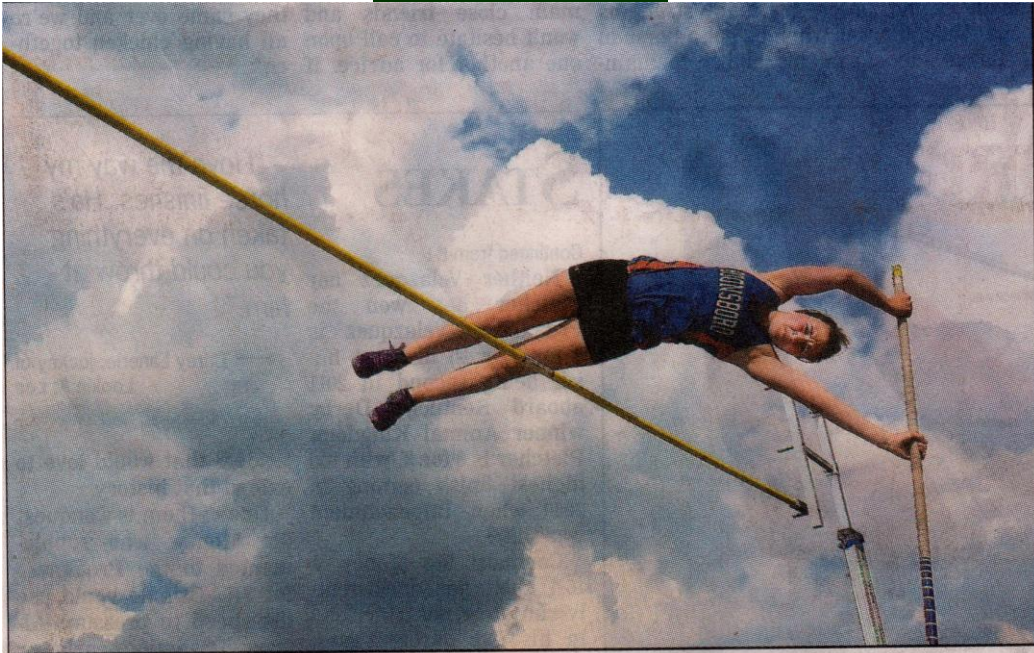

**Grandson Evan Howard Hall graduated from Tates Creek High School with honors in Lexington, Ky. He will attend Transylvania University playing baseball and majoring in Business Management.**

### ***Class Luncheon***

**Great time was had by all at our June luncheon. We had one new attendee, Dick Baker. It was tough but I kept the group under control. They had a tendency to get rowdy and frisky. May have been something in the water.**

Boonsboro's Bethany Lohman clears the bar en route to winning the girls pole vault Friday at the Class 1A West track championships.

**Bethany Lohman, our granddaughter, graduated with honors from Boonsboro High School. She is a pole vaulter and won first place in the girls Division 1A MD State Track & Field Championships. Her personal best is 9'6". This is her 4th State 1st place in indoor & outdoor track. She plans to continue at HCC in the fall and continue to pole vault.**

***Editor's Comment: Wow, brains and physical talent!***

**(L-R) Daughter Brenda, niece Kim, brother Jack and yours truly. Our 14th annual road trip included Shanksville Flight 93 site, Natural Bridge, Luray Caverns and a day ride on the Blue Ridge Parkway & Skyline Drive.**

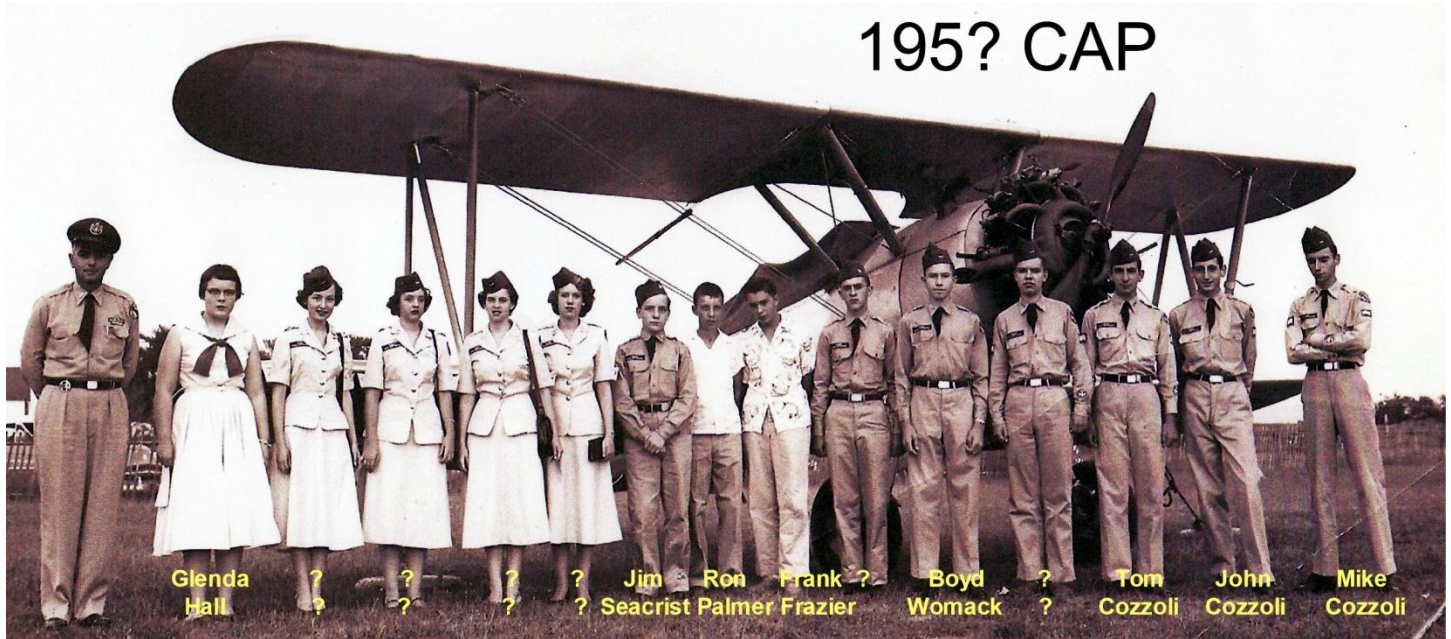

**Shanksville Memorial is an emotional, sad but must see place. A group of people knowingly made a decision to give up their lives to save hundreds and maybe thousands in Washington, D.C. What heroes they were.**

**Editor's Comment: Looking at the picture, no one could ever tell who Brenda was related in the Class of '57, huh?**

### **A Glance At The Past!**

**We need your help! We are still missing some names! Crank up your memory cells and let me know who you think the ?'s may be and what year the pic was taken.**

105 year old woman's remedies to her health

"For better digestion – I drink beer. In the case of appetite loss, I drink white wine. In the case of low blood pressure, I drink red wine. In the case of high blood pressure, I drink scotch. And when I have a cold, I drink Schnapps."

"When do you drink water?"

"I've never been that sick."
