Summer 2018 Luncheon

50 classmates attended the June luncheon and had a great time visiting and reminiscing. The class of 58 has a luncheon the same day as us at the Western Sizzler and our group decided to invite them to join us and have a combined '57 - '58 luncheon. We and they know the classmates in the other group. It will be nice if they join us and we can bring the average age of the group down. Dick Thomas is their coordinator and he said he would get back to me if they are interested. They may choose to stay as a group of 58'ers and that is OK too.

Remember our next event is a picnic on the 20th of September at the Wilson Ruritan off Route 40 West. Need directions, let me know.

Jone Bowman Annual Golf Turnoment

Three 57'ers at the annual fund raiser for cancer. Need to get more 57'ers out next year. Good fun, good food, good prizes and most of all, good fellowship while raising money for a worthy cause that impacts virtually every family. Assume you know the bums in the picture but in case you don't, L-R Larry Keller, yours truly and Frit Hill.

Larry Stenger

Larry & Chris' son Scott traveling on Lake Heritage to a Father's Day Event. (Eco friendly mode of transportation.)

Nick’s granddaughter, Ashlee Miller graduated from Messiah College with a degree in music and worship. She is currently working as the executive assistant to the Pennsylvania Church of God State overseer.

Ann Corderman

Ann Corderman Helton and brother Jim enjoying the ocean breezes at the Maryland shore. Jim is a NHHS grad class of 1961 and recently lost his wife Judy King Corderman. They lived in Raleigh NC as does Ann's sister Jeni Corderman Keyser.

Roger Kisiel

24 of my 26 Polish MBA students who came to Columbus for their final Strategy Course, which I taught. it was a whirlwind week which included an online strategy simulation called Glo-Bus (Global Business), and a 3-hour Major Field Test. We did have some time for festivities before they headed in all directions to see the US

(Washington, California, NY, Las Vegas, etc). I'm hoping Franklin will send me to Poland to teach a different class. I have only stopped in Gdansk for a day while on a cruise. I'm headed back to Muscat, Oman for two weeks from 6-20 Sept.

Bob Westphal

Franny and her new brother Jem

Jo Ann Copenhaver Kline

Our grandchildren went with us when we voted. The lady in charge asked if she could take a picture of them in front of the early voting signs. What made the day

so special was the first stop we made was at the VA clinic where Harold had an appointment. There Hailey and Brady got to see the many veterans there for treatment. We then went to early voting. They saw what the veterans were fighting for - the freedom to vote and live in the USA.

Bob & Arlise Weaver Cianelli

Our youngest grandson Brady out of high school and will be attending University of Arizona in the fall where his brother Colin will be a junior in the Eller School. Wow, do they grow up fast or what!

80th Birthday You Say?

Your committee has broken the mold and have been planning a very special 80th Birthday celebration. It will be a two day event in September of 2019. Details will follow in plenty of time for you to reserve that weekend and if you live a distance from Hagerstown, make plans to stay overnight on Friday after the Bowman "Get Reacquainted" event.

The committee knows you want an activity to keep you out of the rocking chair so they would like you to start looking for pictures of your "Elementary Years" for a video. Obviously, compromising or funny pics are preferred but any "old" pics will do since pics of that era are all 'funny'. A note describing the pic would be helpful if what is happening in the pic is not easily discerable by a group of old people (a.k.a Reunion Committee).

You simply have to take the time to look at these gems of wisdom from good old Charles Schultz.....wonderful

I don't have time
to worry about
who doesn't like me..

I'm too busy
loving the people
who love me.

Perhaps they are not stars in the
sky but rather openings where our
loved ones shine
down to let us
know they are
happy.

Lessons Learned In Life

*The less you
respond to rude,
critical,
argumentative
people, the more
peaceful your life
will become.*

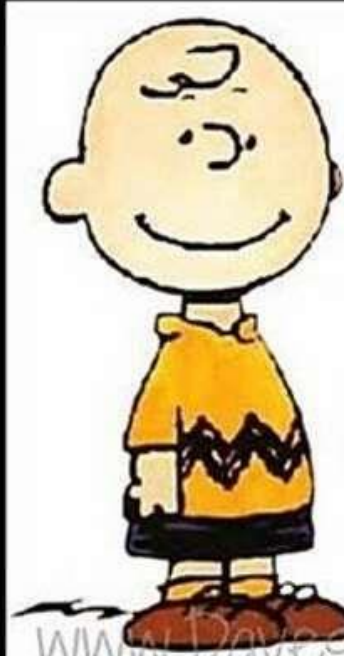

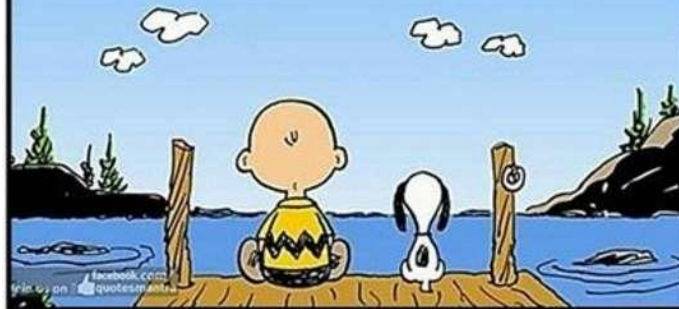

There are moments in life when you miss someone so much that you just want to pick them from your dreams and hug them for real.

Definition of a Friend

someone who says nice things about you when you aren't around

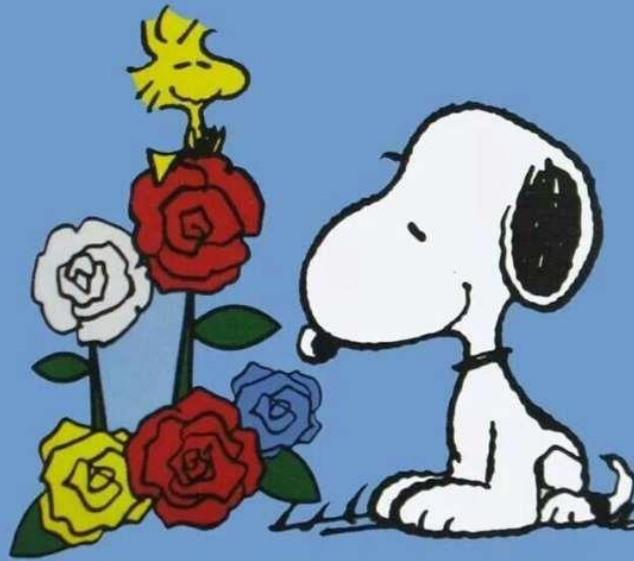

The smile on my face doesn't mean my life is perfect.

It means I appreciate what I have and what I have been blessed with.

I choose to be happy

TAKE TIME TO
STOP AND
SMELL THE ROSES

Thank you
for being you!

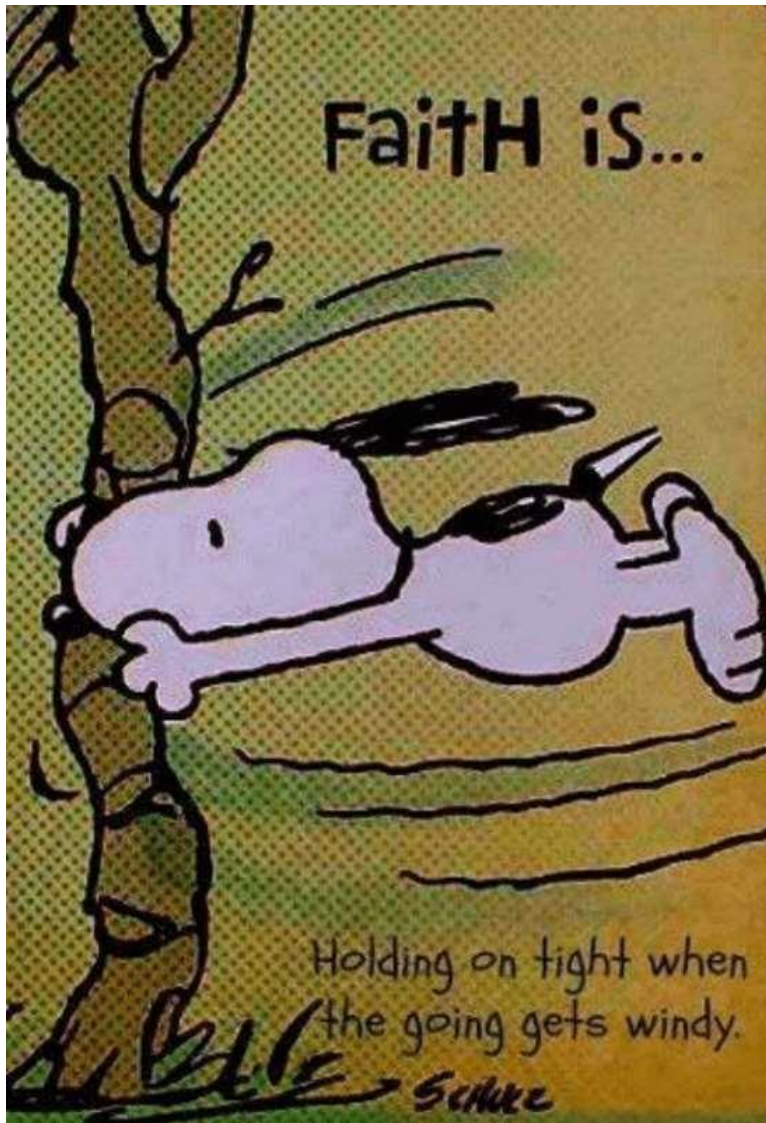

When my arms can't
reach people who are
close to my heart...

I
always
hug them
with my
prayers.
