80th Birthday

A number of you have sent in your “old” pics and some are classic. If you haven’t sent in your early years pics, please do it soon. A note describing the pic would be helpful. Email to: rtcianelli@gmail.com, or snail mail with SASE (if you want the pic returned) to 1472 Westcliff Dr., Pasadena, MD 21122.

Operation Welcome Home Maryland

This organization is alive and well and greets all incoming military flights at BWI. This group volunteered to “sort” the goodies that were collected by St. Mary’s elementary school in Annapolis. The kids do a fantastic job every year. We had a pickup and two full sized SUV’s full of bags of items the kids collected. There were enough items to make 1,000 “goodie bags” for the troops.

Many thousands of military personnel will not be home for the holidays because they are serving us. I know many of you served and spent the holidays away from home as I did. Fortunately, most of us were not in harm’s way and never heard a shot fired in anger. An entire generation has been in harm’s way as a barrier between us and the bad guys. Lest we forget. . . .

Charlie Lefew

Three generations of Lefew men serving their country. On the left is Charlie's son who was a Captain in the Army for five years and on the right is Charlie who was a Major in Army for 22 years. In the middle is Charlie's grandson Marine Corps Sergeant serving in Iraq.

Editor's Comment: Thanks to the Lefew family for serving our country. It took three generations but they finally got it right! Oooooorah!

Charlie at his retirement receiving the Legion of Merit.

Terry Strock

Enjoying family time at Thanksgiving. (We all knew golf would be on the program.)

Bob & Arlise Weaver Cianelli

Our son Tom, his wife Kelly and our two granddaughters, Mia(L) and Ava(R) spent Thanksgiving week with us and we were 'thankful' that we could share this family time. Activities included family games, ice skating and a trip to the Kennedy Center for a show.

Larry & Nancy Nunamaker Weber

Bryce Keller Nigh commissioned Lieutenant in U.S. Army Rangers

Editor's Comment: Congratulations and Thank you Lieutenant for serving our country.

Ann Corderman

During my brother Jim's visit with us, we visited the Brandywine Museum.

Christmas Luncheon

What a distinguished group of ancients! Almost 80 attended and there were members from the class of '53, '55, '56, '57, '58, '59, and '60 in attendance. Below are your '57 classmates. What a great time with friends of 64 years, and in some cases up to, 73 years!!

Below are pics of '58 grads and one '59 grad who snuck in and gave me a hard time. Below are the '58ers. (I know, I know they look older than us.)

Mary Ellen Baer, '59; "Don't you do it Bob!" (Silly girl.)

For those of you who could not make it to the Christmas Luncheon, mark your calendar for the 2019 Class Luncheon Dates:

March 21st.
June 20th
December 19th

You ask, “What happened to the September Picnic?” Well, if you will recall, we will be celebrating our 80th Birthday on September 13th & 14th. So, put a big asterisk on your calendar for those two days. Invitations will go out next year in plenty of time for you ladies to get all dolled up and the guys, well

Believe It Or Not

There is a replica of Stonehenge in Kerrville Texas. It started as a lark between two neighbors and grew into a full fledge replica. Go figure, when two guys have too much time on their hands, this can occur.

EDUCATION SECTION

Sod's Law

➤ Law of Mechanical Repair -

After your hands become coated with grease, your nose will begin to itch and you'll have to pee.

➤ Law of Gravity -

Any tool, nut, bolt, screw, when dropped, will roll to the least accessible place in the universe.

➤ Law of Probability -

The probability of being watched is directly proportional to the stupidity of your act.

➤ Law of Random Numbers -

If you dial a wrong number, you never get a busy signal; someone always answers.

➤ Variation Law -

If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now.

➤ **Law of the Bath -**

When the body is fully immersed in water, the telephone will ring.

➤ **Law of Close Encounters -**

The probability of meeting someone you know INCREASES dramatically when you are with someone you don't want to be seen with.

➤ **Law of the Result -**

When you try to prove to someone that a machine won't work, IT WILL!!!

➤ **Law of Biomechanics -**

The severity of the itch is inversely proportional to the reach.

➤ **Law of the Theatre & Football Stadium -**

At any event, the people whose seats are farthest from the aisle, always arrive last. They are the ones who will leave their seats several times to go for food, beer, or the toilet and who leave early before the end of the performance or the game is over. The folks in the aisle seats come early, never move once, have long gangly legs or big bellies and stay to the bitter end of the performance. The aisle people also are very surly folk.

➤ **The Coffee Law -**

As soon as you sit down to a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.

➤ **Murphy's Law of Lockers -**

If there are only 2 people in a locker room, they will have adjacent lockers.

➤ **Law of Physical Surfaces -**

The chances of an open-faced jam sandwich landing face down on a floor are directly correlated to the newness and cost of the carpet or rug.

➤ **Law of Logical Argument -**

Anything is possible IF you don't know what you are talking about.

➤ **Law of Physical Appearance -**

If the clothes fit, they're ugly.

➤ **The 50-50-90 Law**

Whenever there's a 50-50 chance of getting something right, there's a 90% probability that you'll get it wrong.

➤ **Law of Commercial Marketing Strategy -**

As soon as you find a product that you really like, they will stop making it OR the store will stop selling it!

➤ **Doctors' Law -**

If you don't feel well, make an appointment to go to the doctor, by the time you get there, you'll feel better. But don't make an appointment and you'll stay sick.

23 Adult Truths

1. Sometimes I'll look down at my watch 3 consecutive times and still not know what time it is.
2. Nothing sucks more than that moment during an argument when you realize you're wrong.
3. I totally take back all those times I didn't want to nap when I was younger.
4. There is great need for a sarcasm font.
5. How on earth are you supposed to fold a fitted sheet?
6. Was learning cursive really necessary?
7. Map Quest really needs to start their directions on # 5. I'm pretty sure I know how to get out of my neighborhood.
8. Obituaries would be a lot more interesting if they told you how the person died.
9. I can't remember the last time I wasn't at least kind-of tired.
10. Bad decisions make good stories.
11. You never know when it will strike, but there comes a moment at work when you know that you just aren't going to do anything productive for the rest of the day.
12. Can we all just agree to ignore whatever comes after Blue Ray? I don't want to have to restart my collection...again.
13. I'm always slightly terrified when I exit out of Word and it asks me if I want to save any changes to my ten-page technical report that I swear I did not make any changes to.
14. I keep some people's phone numbers in my phone just so I know not to answer when they call.
15. I think the freezer deserves a light as well.
16. I disagree with Kay Jewelers. I would bet on any given Friday or Saturday night more kisses begin with Miller Light than Kay.
17. I wish Google Maps had an "Avoid Ghetto" routing option.
18. I have a hard time deciphering the fine line between boredom and hunger.

19. How many times is it appropriate to say "What?" before you just nod and smile because you still didn't hear or understand a word they said?
20. I love the sense of camaraderie when an entire line of cars team up to prevent a jerk from cutting in at the front. Stay strong, brothers and sisters!
21. Shirts get dirty. Underwear gets dirty. Pants? Pants never get dirty, and you can wear them forever.
22. Even under ideal conditions people have trouble locating their car keys in a pocket, finding their cell phone, and Pinning the Tail on the Donkey - but I'd bet everyone can find and push the snooze button from 3 feet away, in about 1.7 seconds, eyes closed, first time, every time.
23. The first testicular guard, the "Cup," was used in Hockey in 1874 and the first helmet was used in 1974. That means it only took 100 years for men to realize that their brain is also important.

MOSTLY FOR OLDER PEOPLE

SYMPATHETIC HUBBY

This guy is sitting at home alone when he hears a knock on the front door. There are two sheriff's deputies there; he asks if there is a problem. One of the deputies asks if he is married, and if so, can he see a picture of his wife. The guy says "sure " and shows him a picture of his wife. The sheriff says, "I'm very sorry sir, but it looks like your wife's been hit by a truck." The guy says, " I know, but she has a great personality and she's an excellent cook. "
